

The Eight Blessings: Rediscovering The Beatitudes

Bible Study / Christian Living

The Beatitudes are more than just poetic verse used to begin the Sermon on the Mount; they are the essence of Jesus' message from beginning to end. These simple and familiar words establish the overall tone of Jesus' teaching ministry and provide an intimate look at his most deeply held values. They also provide profound insights about living a contemporary Christian life. In *The Eight Blessings: Rediscovering the Beatitudes*, Shane Stanford addresses each of the eight Beatitudes or blessings mentioned in Matthew 5. The chapters offer illustrations of each blessing from Jesus' ministry, a discussion of the theme and spiritual dimensions of the blessing, and application of the blessing to our contemporary lives. He uses poignant stories of contemporary people to help the reader claim the blessings as a way of life.

A study guide at the back of the book offers discussion and reflection questions for small-group use.

"Can anything fresh be written about the Beatitudes? This book sounds a strong yes. Out of his personal and pastoral experience, Shane provides us an inspiring commentary and a probing study guide on these blessings. Individuals and groups will find here a resource for growth."

—Maxie D. Dunnam, Chancellor, Asbury Theological Seminary

"Shane Stanford is an important voice from the church to the church. With great wisdom, he helps us see the Beatitudes with new eyes. Beautifully written, this book speaks from heart to heart. I recommend it to all thoughtful readers."

—Richard Lischer, Duke Divinity School, Author of *Open Secrets*
