

Early Modern Women Poets, : An Anthology

Early Modern Women Poets represents a complete reexamination of the field, based on extensive archival research in manuscripts and early modern printed. Forty per cent of the material included has never been printed before, but the book also includes lavish selections from the early modern women poets currently. While it contains lavish selections from important poets such as Aphra Behn, Katherine Philips, and Aemilia Lanyer, almost half of the material included is previously unpublished and uncollected. It aims to introduce the reader to a conspectus of the verse written by women from. Jane Stevenson, Peter Davidson, eds. *Early Modern Women Poets: An Anthology*.
